

**YES! I WANT TO SUPPORT  
CENTRE CONGREGATIONAL CHURCH**

We continue to improve the brick walk in front of the church with memorial pavers. Now is the time to order a brick with your name, or that of a loved one, engraved in it. Each brick can accommodate up to three lines of 13 characters each, with spaces counting as a character. What a great way to honor a loved one, or to show everyone who enters that you helped restore the building!

Engraved pavers are \$100 ea. Please PRINT what you want on your brick on the three lines below. If you need more than 13 characters per line, it can be done, but it's better to avoid as the letters will be smaller than  $\frac{3}{4}$  inch high.
